Measure around the neck at the base where the shirt fits. Ensure you can fit 2 fingers between the tape and your neck to avoid opting for a shirt that is too tight.

CHEST
Measure the chest around the fullest part, placing the tape close up under the arms and making sure the tape is well up at the back over the shoulder blades.

WAIST
Measure around the natural waistline over any undergarments that may be worn.

INSIDE LEG
Measure from the top of the inside leg at the crotch to the hem.

OUTSIDE LEG
Measure from your waist, down the side of your leg to the hem.
